

# Go-Woman! Alliance CIC

## Preparation for Work

Co-funded by the  
Erasmus+ Programme  
of the European Union

## Aim of the project

- Support individuals to become 'work ready' through practical hands on support.
- Current provisions support individuals to develop a cv or prepare them for an interview. There are fantastic initiatives in the community that do this well but producing a good cv does not make these individuals 'work ready'.
- Putting learning into practice by providing work experience.

End-to-end training and support.
